Grant, your car insurance is due for renewal

Hello Grant,

Thanks for choosing Qantas Insurance - the only car insurance that comes with

Qantas Points[^]. Your renewal offer documents are attached for your 2005 Toyota Landcruiser Prado.

Don't forget that you'll continue to earn Qantas Points on your premium when you renew your cover.

Please check the details

The attached documents explain important details about your renewal. Please take a few minutes to review all documents, then store them safely for future reference. In particular, check the 'Your renewal details' and 'Your declarations' sections of your *Renewal Offer*.

Has anything changed?

It's an important part of your duty not to make a misrepresentation (as per the Product Disclosure Statement) to let us know if any details are incorrect or need to be updated.

For example, check the use of the car is still correct, along with the excluded and listed drivers, their disclosed claims, driving offences, licence suspensions and convictions.

If anything has changed, please [login](#) to your Policy Manager. Here you can update most things, or you can give us a call on **13 49 60** to update your details. Please note that incomplete, incorrect or information that is not up to date may impact payment of a claim.

Automatic renewal

We've made it easy for you to renew your insurance. If all the details in your *Renewal Offer* are correct you don't need to do a thing. We'll renew this cover automatically on 15 November 2021 using the payment details and frequency you last gave us. We'll deduct the renewal premium from your nominated account on or after the date the payment is due.

If you don't want to automatically renew your policy now, or in the future, then please contact us before your renewal date.
