Repayments

Note: The figures and amounts disclosed here are estimates based on assumptions *including* that repayments will be made on time and that fees and charges will not change after the *disclosure date*. You should, however, be aware that these matters are subject to change as described on page 3 and that if you make any late payments, the total amount repayable will increase due to increased interest charges and fees.

84 repayments of \$665.25 each (includes monthly repayment of \$652.25, plus the monthly loan service fee of \$13.00), totaling \$55,881.00 payable over the *loan term*.

The first repayment is due one calendar month after the *settlement date*.

We will notify you of this date once it is ascertained. Subsequent repayments are due on the same day of each succeeding calendar month during the remaining *loan term*. However, in respect of a repayment to be made other than via direct debit if the repayment is due on a day:

- (a) which is not a *banking day*; or
- (b) which is not contained in the calendar month, then it must be made:
- (c) on the preceding *banking day*; or
- (d) on the last *banking day* of that month, respectively.

Interest charges are calculated by multiplying the unpaid balance at the end of the day by the *daily percentage rate* during the *loan term*. The *daily percentage rate* is calculated by dividing the applicable *annual percentage rate* by 365. Interest is charged to your *loan account* monthly in arrears.

Credit Fees and Charges payable to us

These credit fees and charges relate to the establishment of the loan and are payable on the *settlement date* and deducted from the *amount of credit*

Acceptance by customer

- 1 I accept the offer set out in this *schedule* on the terms and conditions set out in this *schedule* and the Loan Contract Terms and Conditions.
- 2 I promise that all the information I have provided to you about me, or about any other matters relating to my loan, is true and not misleading. I am also not aware of any impending adverse change to my financial situation which will impact on my ability to meet my obligations under the proposed loan contract. I acknowledge that you may rely on this information when deciding whether to offer to lend to me.
- 3 I acknowledge that before confirming this acceptance I was given to keep, and read, a copy of:
 - This *schedule*;
 - The Loan Contract Terms and Conditions;
 - Credit Guide;
 - Important Privacy Notice;
 - Where relevant, the attached information statement "THINGS YOU SHOULD KNOW"; and
 - Each *security* given or to be given by me.
4. I declare that I do not acknowledge this acceptance as a trustee.
5. I acknowledge that each *security* I have given or will give which is referred to under "Securities" in this *schedule* extends to this contract when I accept it and that this contract will be a contract covered by each of those *securities*. I understand that the mortgaged or secured property will be at risk if I default under this contract.
6. I agree to notify you promptly in writing if I change my address or any of the information I have given you changes in a significant way.

Note: Do not sign this document if you have not received all of the contract documents referred to in item 3. Please read the warnings in the box titled "Important" on the following page before deciding to sign.

IMPORTANT

BEFORE YOU SIGN

- * READ THIS CONTRACT DOCUMENT so that you know exactly what contract you are entering into and what you will have to do under the contract.
- * You should also read the information statement:
"THINGS YOU SHOULD KNOW".
- * Fill in or cross out any blank spaces.
- * Get a copy of this contract document.
- * **Do not Sign** this contract document if there is anything you do not understand.

THINGS YOU SHOULD KNOW

- * Once you acknowledge this contract document, you will be bound by it. However, you may end the contract before you obtain any credit, or a card or other means is used to obtain goods or services for which credit is to be provided under the contract by telling the credit provider, in writing, but you will still be liable for any fees or charges already incurred.
- * You must take out insurance over any mortgaged property that is used as security, such as car.
- * If you are to take out insurance, the credit provider cannot insist on any particular insurance company.
- * If this contract document says so, the credit provider can vary the annual percentage rate (this interest rate), the repayments and the fees and charges and can add new fees and charges without your consent.
- * If this contract document says so, the credit provider can charge a fee if you pay out your contract early.

How do I accept this offer?
